Summer is the perfect time for students of all ages to relax, but it's also a time when summer learning loss can occur. This learning loss is called the "summer slide," and happens when children do not engage in educational activities during the summer months. This training will provide you with strategies and fun activities you can do over the summertime to help prevent the summer slide.

To access or participate in the online webinar you need to have the "GoToWebinar" app on your smartphone, ipad, tablet, or just use your desktop/laptop computer!

"GoToWebinar" app can be downloaded for FREE from [google play store](#) or [itunes app store](#).
