Parents rave about our in-house publications *All About Me* and *My Portfolio* and the usefulness in introducing their children to a variety of new service providers such as teachers, DSP's, Therapists and more. Join us for this webinar where we will provide you access to these publications, instructions on how to personalize them for your child, and things you need to think about including in your personalized publication. If you do not have access to a printer, email us your publication, and we'll be happy to print them out for you.

**Audience: Parents, Caregivers, & Professionals
of School-Aged Children/Students.**
