We've taken some of our favorite things in our 2019 Guide to Summer Fun for Children with Disabilities and highlighted them in this training. The goal is to give families and caregivers ideas of fun things they can do over the summer that doesn't need to cost a lot. Many things are either free or low cost. Part of this is specific to the Greater New Orleans area.

Changing Lives Every Day

To access or participate in the online webinar you need to have the "GoToWebinar" app on your smartphone, ipad, tablet, or just use your desktop/laptop computer!

"GoToWebinar" app can be downloaded for FREE from [google play store](#) or [itunes app store](#).
