### COVID- 19 Updates

#### **BEHAVIORAL HEALTH CLINICS**

Our services are available at all of our locations at this time; however, in an effort to limit our in person interactions and comply with state recommendations, we will be offering tele-health and video conference capabilities to meet our clients needs.

ImCal HSA is still admitting new clients and urgent/emergent services will be addressed face to face in our clinics. Clients will be offered by telephone or tele-health services  
Our clinic staff will be contacting you regarding your up-coming appointment

If you have any question about your appointment or if scheduling an appointment, call  
337-475-3100.

#### **Developmental Disabilities Division**

Staff continue to provide services and will be diligent in communicating with all clients to ensure that their needs continue to be met. We will be utilizing telephone and tele-health services, in place of home visits. For individuals/families receiving Developmental Disability Services, all coordination and assistance will be conducted telephonically or through email. If you have any questions about an appointment or if you need to speak to someone about services please call our office at 337-475-3100.
